1. The following is an examiner's statement of reasons for allowance: The amendment to claims 1 and 10 has added the limitations of claims previously indicated allowable as the applicable prior art did not teach or fairly suggest the combination as claimed including the programming parameters including a polarity of a frame synchronization signal, claim 30 contains at least the same limitations with combination of different components in an interface device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
